Well well well
Other than the fact that
I am one year older
but I don't look it
I don't know what else
to say. Maybe we will
see each other
this summer
I think
I'll do it.

See ya later,

Sandy,
you're a really far out
person to know and to be with.
We've had some pretty wild
times. Hope to see ya this
summer. Most likely with
a good looking dude. Don't
forget to party and Don't stay
too straight. Party. Hardy
and all that good shit. Don't
do anything I wouldn't do.
Stay out of trouble or try to
at least. Just remember to
keep on snoozing and keep on
snorting. I'll probably see ya
tripping around somewhere.
But I don't mind because
I'll probably be just as fucked up
Keep on smiling. Good Luck
in the years to come.

September

September found us starting another school year as the sophomores attended a welcome assembly and got a taste of high school life. The nation looked on as China mourned the death of Chairman Mao Tse-tung and we all settled into the new five period day. Sophomores elected their class officers and we participated in a dating game at Magnolia. Boys sports started with cross country and football while the girls began with tennis and volleyball.

October

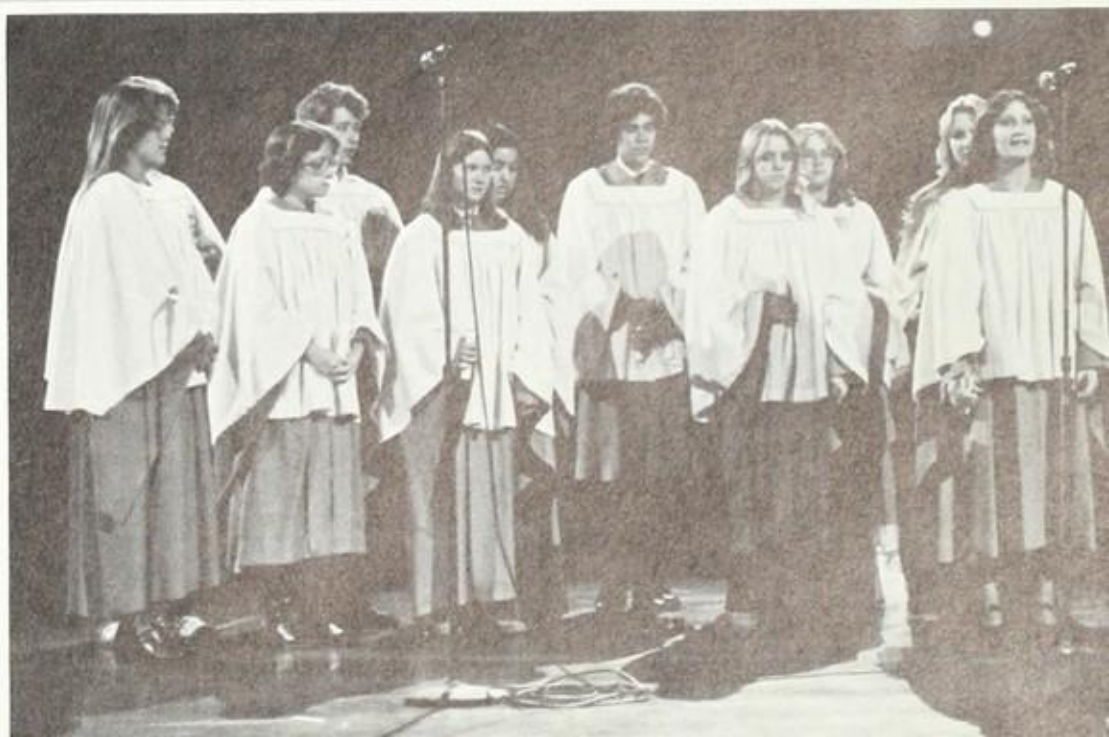
Homecoming Week was the main event of October as Doug Mays and Carolyn Robles were chosen to reign as King and Queen. The Rebel Football team was victorious over a tough Anaheim team as wecelebrated the win with the Homecoming Dance. The junior class was busy selling Rebel hats, flags, and necklaces while CSF had their sucker sale. Our band and drill team performed at the Band and Drill Team Spectacular and the choral department put on their Fall Concert. Veterans' Day brought a welcome holiday as the Presidential campaign race was drawing to an end. October came to a close as GAA members sold pumpkins and some spirited Rebels participated in the Halloween costume day.

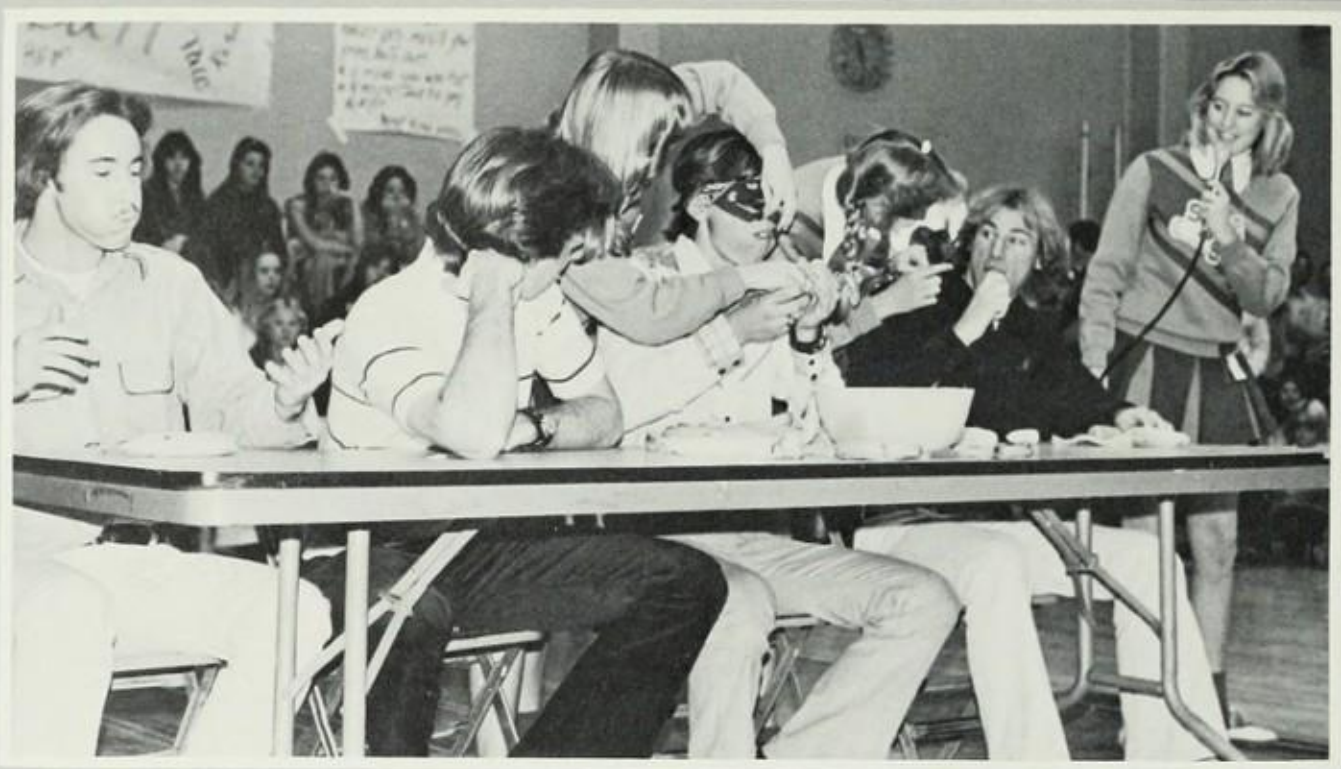
November

November rolled around as we saw Jimmy Carter win a close race for President. Choir members took off for a weekend on their annual Retreat and Ski Club had a pet rock sale. The first quarter came to an end while our band and drill team rated superior at the Los Altos Halftime Competition. FBLA members sold bread dough ornaments and Girls League put on a fashion show. Girls field hockey was just getting started as cross country and girls tennis and volleyball ended. Thanksgiving Vacation was well earned as the football team ended a winning season.

December

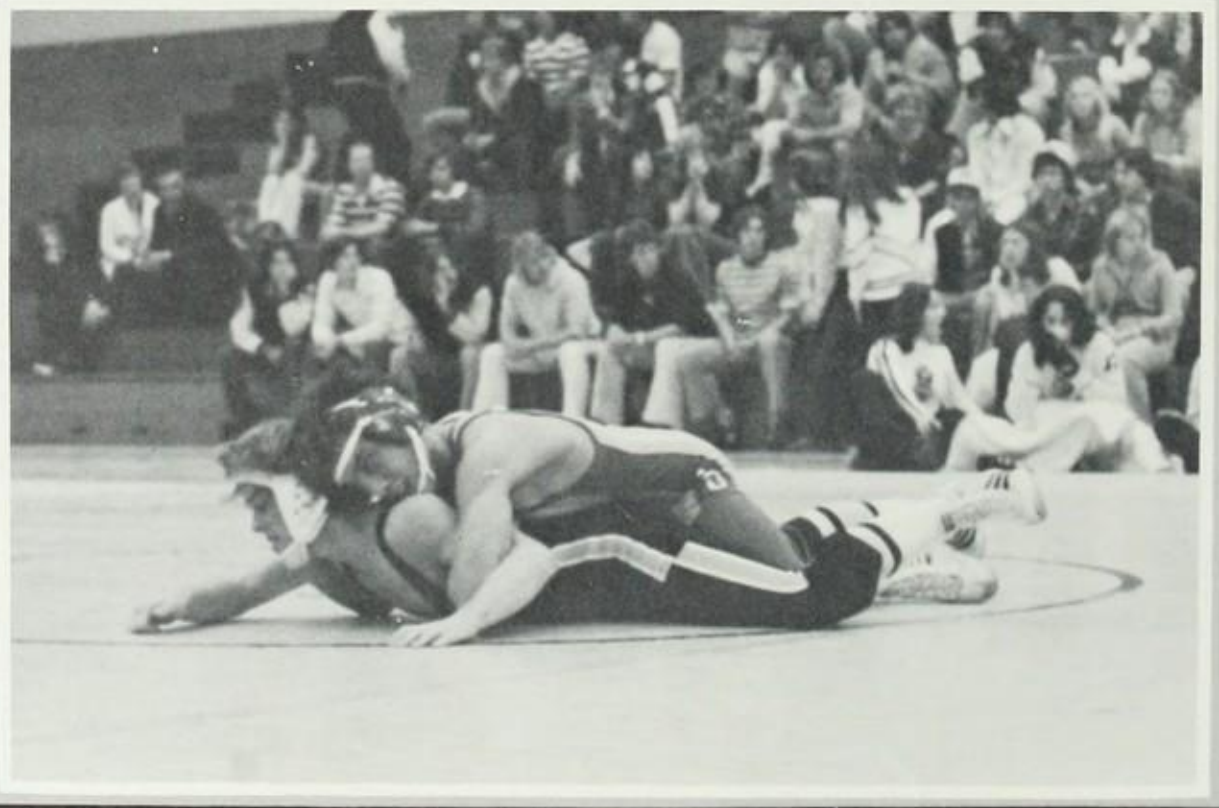
December started off with the Girls League candy cane sale and the ICC canned food drive. CSF had a flower sale while our singers participated in "Holiday In Music". President elect Carter started planning his Cabinet and the Honors class held a car rally. Boys wrestling and basketball got under way while the girls archery team was forming. Everyone looked forward to a great Christmas Vacation as we celebrated with a Christmas assembly as December drew to a close.





January

January came as we all tried to get back in to the swing of things after a long Christmas vacation. Science Club held a car wash and Girls League put on a fashion show. The nation watched as Jimmy Carter was inaugurated as the 39th President of the United States and people in the eastern states faced one of the coldest winters ever recorded. The Winter Formal brought a chance for an evening of fun and dancing before we all had to study for finals as first semester came to an end. The Jazz Band held their annual Savanna Jazz Festival and the boys basketball season was getting under way. As January drew to a close the girls archery and field hockey teams ended another trying season.

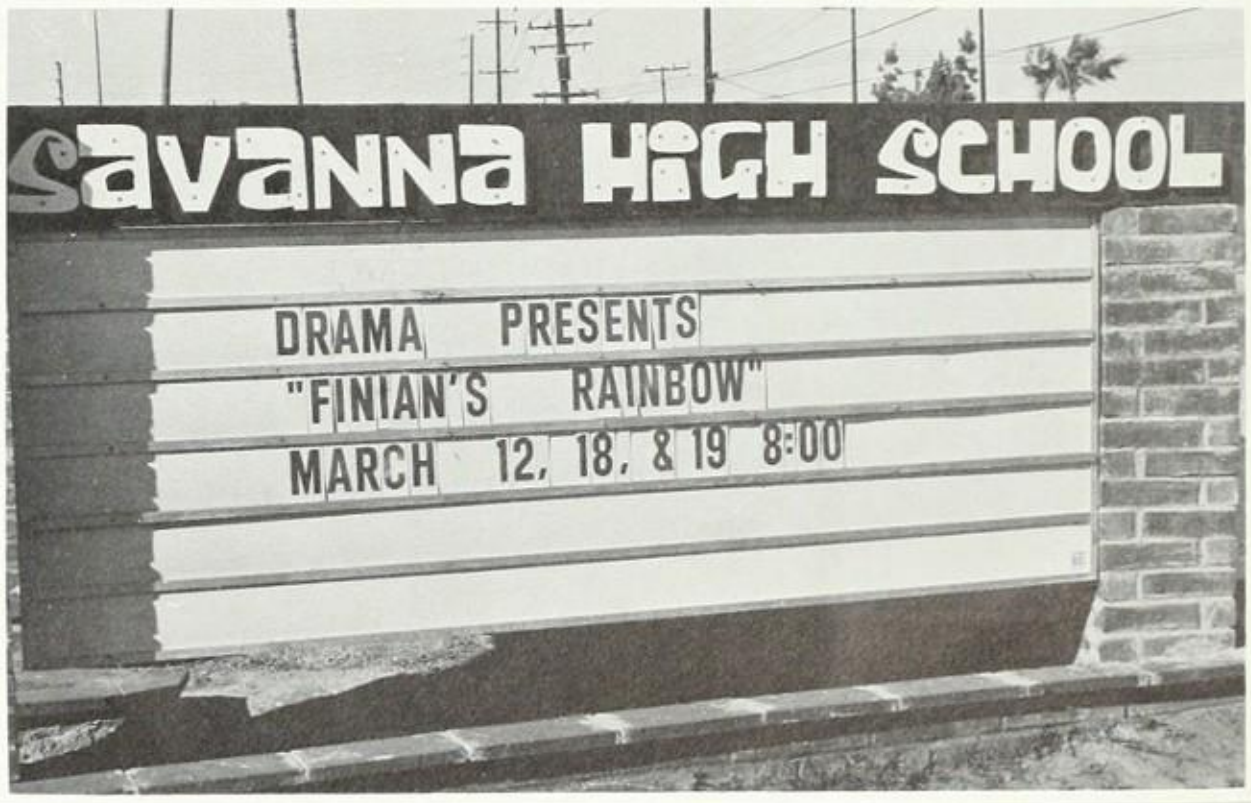


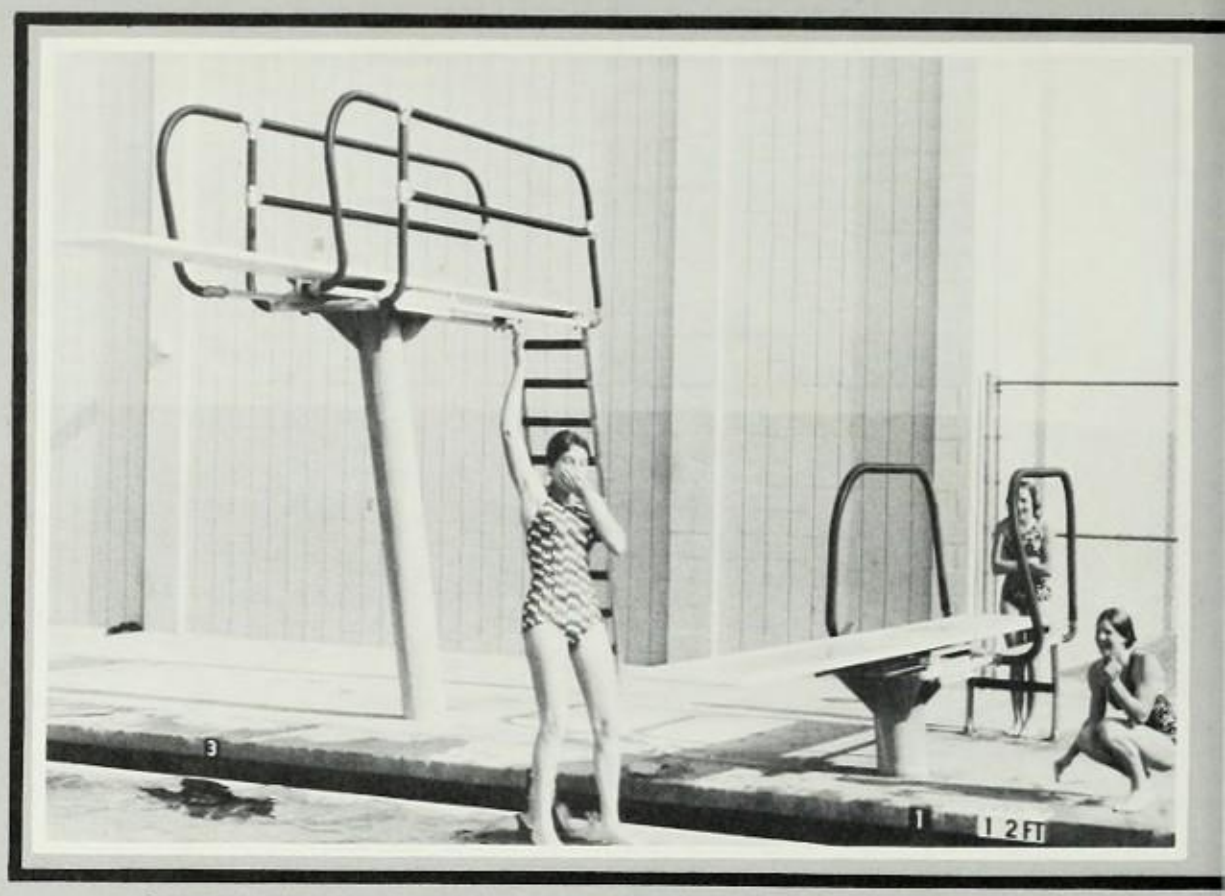
February

President Carter held his first fire-side chat and we elected new Congress representatives as February started. NHS and Science Club held a car rally. Council members were auctioned off as slaves to help contribute to the United Fund Drive. Lincoln's birthday and Washington's birthday brought two much needed days off from the hectic routine as the drill team competed in the Miss Drill Team USA pageant. Seniors were contemplating graduation as they ordered announcements and voted on caps and gowns. California was feeling the effects of a long drought. Boys' wrestling and basketball came to an end as track and girls' basketball were getting under way.

March

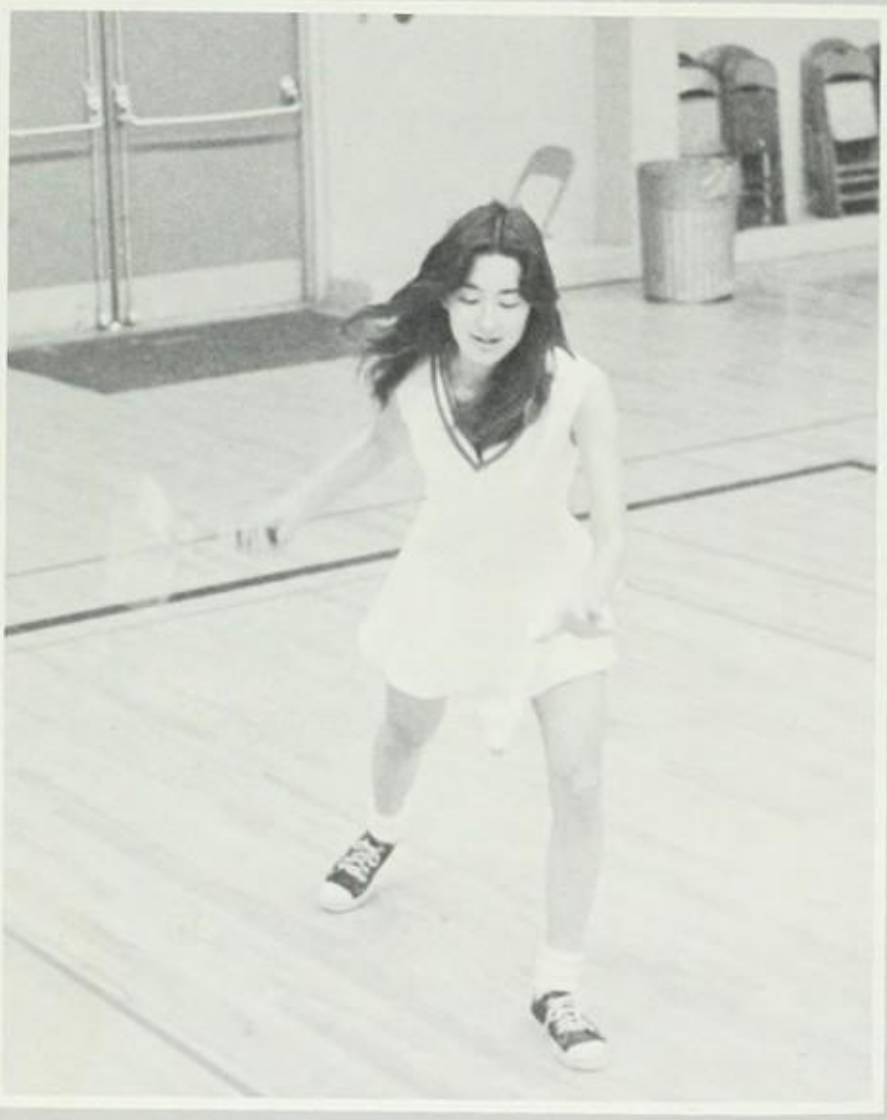
The junior class held Bugs Bunny Day and the choral department put on a concert as the month of March was upon us. The Drama department performed their first major production, "Finian's Rainbow" and International Day was held at Savanna. Song and Cheerleaders held a flower sale and we had a KEZY lunch concert. Seniors and underclassmen had fun during Senior Week and Science Club members sold potted plants. Spring sports were all getting under way as boys golf, baseball, and tennis seasons started and girls softball and swimming seasons began.





April

The band and drill team were traveling to Washington and third quarter was drawing to an end as April was just beginning. Easter Vacation brought a well earned week off as NHS held their annual induction banquet. American Field Service Bonds were sold and Girls League members went on a picnic. Open House was held at Savanna and the Madrigal singers went on tour. Girls basketball ended as badminton and gymnastics were starting league play and we all looked forward to the beginning of May.

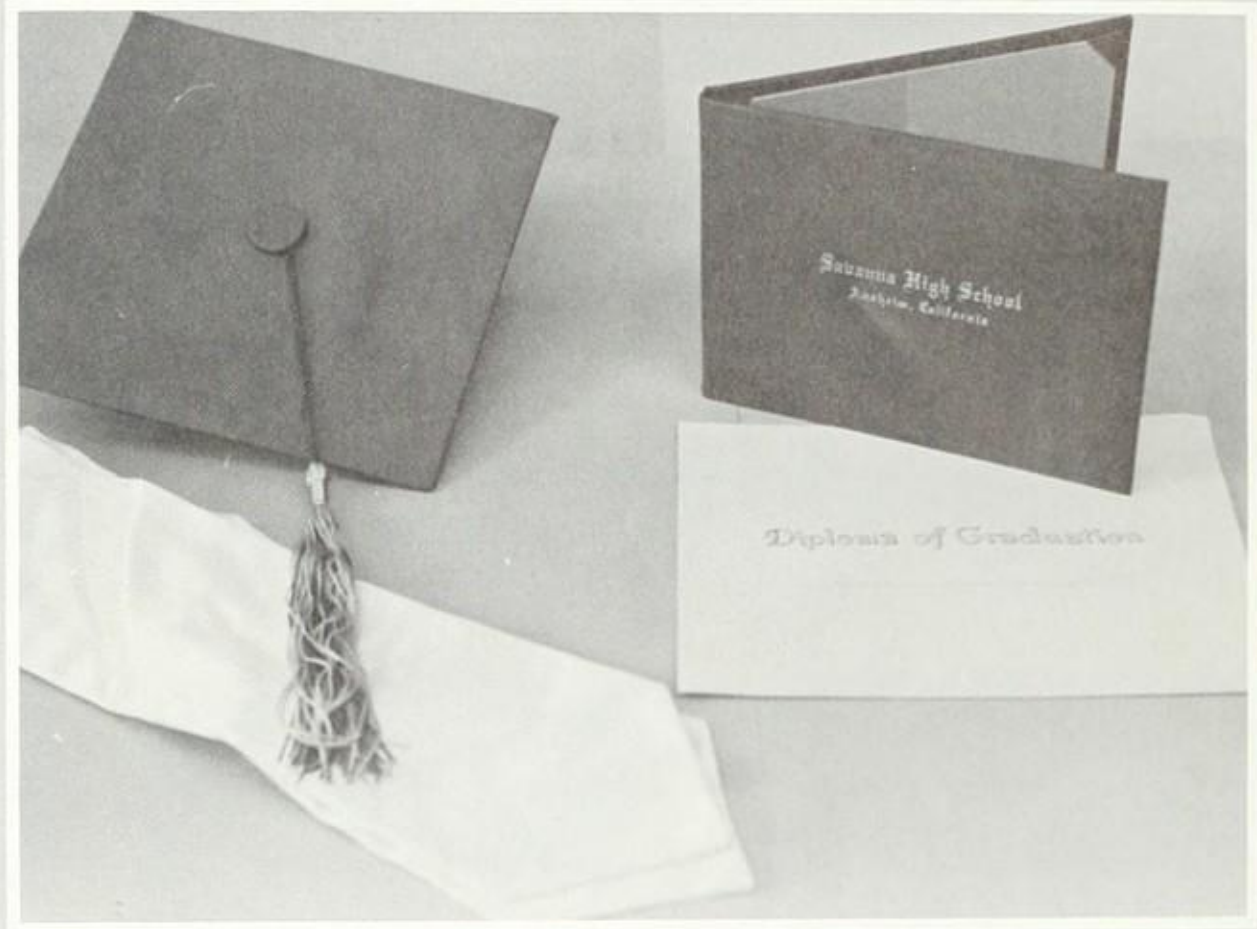


May

May came and went quickly for everyone as Girls League members were busy with a flower sale and last minute touches were being put on the Rebel '77 Show. Choir members were rehearsing for another concert and CSF members held their honors lunch. The Junior/Senior Prom brought an evening of dancing and a good time for all, NHS members were off for a field trip to the Music Center. Memorial Day brought a day off from the hectic month of May. All during the month spring sports were coming to an end and June was just around the corner.

June

Finally it was here, the month of June. It began as seniors were honored at the Rebel Awards Night and we attended Baccalaureate. Once again we all studied hard to make it through two days of final exams. At last it was here, graduation day and the end of another school year. For us Seniors it meant receiving those diplomas we had worked so hard for and celebrating with Grad Night. For the underclassmen it meant a few months of fun, away from the hectic schedule of high school life.



GIRL OF THE YEAR

Donna Gustafson became a symbol of school spirit, energy, and achievement at Savanna High School.

An active sophomore, Donna participated as a Sophomore Cheerleader and contributed to GAA as a valuable team member in both swimming and tennis.

As a junior, Donna continued her busy schedule in the following activities: Varsity Songleader, Junior House Representative, CSF, swim team and Honors Program.

Most senior years are important and Donna made certain this special year received her greatest effort. During the year, her activities included: Varsity Head Songleader, Student Council, Student Advisory Board Representative, California Association of Student Councils Representative, Vice President of Interact Club, Honors Program and Student Bulletin Announcer.

Knowing the time, work, and sincere dedication which she gave to Savanna, it came as no surprise that Donna Gustafson was named *GIRL OF THE YEAR!*

Captions; *1. Practicing song routines is a part of Donna's average day. 3. Donna sure looks serious on a fun costume day*

Ron Kincaid

BOY OF THE YEAR

Ron Kincaid spent a busy three years at Savanna and his worthwhile accomplishments spoke for themselves.

As a sophomore, Ron served as a Student Congress Representative, qualified for CSF, and was co-captain of the sophomore baseball team.

During his junior year, Ron was elected Class President. In addition to this responsibility, he also participated in Student Congress, CSF, NHS, and was captain of the JV baseball team.

As President of the Associated Student Body his senior year, Ron remained active in other areas. He was in CSF, NHS, Student Congress, and worked on the *Dispatch* newspaper staff.

This consistant demonstration of service, effort and loyalty to Savanna earned Ron Kincaid the title of *BOY OF THE YEAR!*

Costumes and Contests

Homecoming Week found the Savanna Rebels with lots of spirit and excitement. It started off with Wild West Day as all over campus there were people dressed as cowboys and dance hall girls. The next day was Fifties Day as the guys slicked back their hair and put on leather jackets and the girls dressed in poodle skirts and saddle shoes. Kiddie or Sports Day was next as everyone either dressed in the uniform of their favorite sport or as little kids with teddy bears and lollipops. Dress up days weren't the only thing though, there were also contests including a treasure hunt, tricycle race, jelly bean find, and the "Mr. Cool" ice race.

Homecoming Week

Friday was the big day during Homecoming Week as it was School Colors Day where seniors wore red and underclassmen wore gray. It was also the day of the pep assembly as Song and Cheerleaders did skits and the Pep Band and Drill Team performed. That night was the big game against Anaheim where the Rebel team proved their football skills as they were victorious.

Homecoming '76 "Somewhere Over the Rainbow"

An exciting Homecoming Week came to an end with the dance which was held on Saturday night. With a lot of hard work the Savanna gym was transformed into the Savanna Dance Pavillion where 110 couples enjoyed an evening of fun and dancing. After listening to many auditions, "Marz" was chosen to play the music for this memorable occasion. The theme for this year was "Somewhere Over The Rainbow". Continuing a tradition started last year the song and cheer invited the alumni song and cheer back to participate in the festivities. This evening was truely a celebration as the football team was triumphant against Anaheim the night before.

Homecoming Fun

Highlighting the evening was the coronation of Queen Carolyn Robles and King Doug Mays. Senior Attendants Shelley Johnson and Linda Supancic were also honored as were Prince Mike Martelli and Prince Ron Kincaid. Chosen as Junior Attendant was Barbara McDonald and Sophomore Attendant was Keri Gee.

Underclassmen Beware!

During the spring the Rebels took a week and proclaimed it Senior Week. The area around the center quad and two lunch lines were set aside for the use of the Seniors only. Underclassmen were warned to beware! Each day was a different dress-up day starting with T-shirt day. Everyone wore T-shirts that promoted their class and the twenty people who wore the best shirts were awarded prizes. Hawaiian day was next as grass skirts and leis were seen around campus. Wednesday brought Hat day and Rock Star day as hats of all shapes and sizes were donned by spirited Rebels and a few dressed up as their favorite Rock Star. Colorfully dressed tourists armed with their trusty cameras invaded the Savanna campus on Thursday as it was declared Tourist day. The week came to an end with Sadie Hawkins dress-up day as we got to see a preview of what everyone would be wearing at the Sadie Hawkins dance which was held on Saturday night.

Captions: 1.*Cindy McKown dives under the barricade during the bucket race* 2.*Getting dressed while balancing on a platform in the pool is not as easy as it looks* 3.*The sign says it all*

Seniors! Seniors! Seniors!

Dress-up days weren't the only things going on during Senior Week. Everyday there were different contests held between the sophomores, juniors, and Seniors. The first contest was an obstacle course bucket relay with five people on each team. The next day we had an extended lunch so the contests were held in the pool. The first one was a relay race in inflatable boats. The second one had two people balance on a platform in the middle of the pool and they had to get dressed. Wednesday brought the start of the volleyball tournament. The Seniors challenged the faculty and the juniors played the sophomores. Thursday came with the powder-puff football game with Senior girls against junior girls. After school was the annual tug-of-war over the mud-pit. The week drew to an end as the volleyball finals were held during lunch and there was a pep assembly.

Super Activities

In early September school clubs and activities were just beginning to take shape. October brought Homecoming Week, and there was a special costume day for Halloween on the last Friday. Senior pictures were taken, choir took a retreat, Ski Club hosted a Rock Sale, and the Rebels had a "Mr. Turkey" contest during the month of November. December was filled with many holiday activities. Savanna's musicians got to participate in the spectacular "Holiday in Music." ICC sponsored a canned food drive and Girl's League sold candy canes. Band and Drill Team made pizza to raise special funds. Honor Society hosted the first car rally of the year. On campus there was a concert during lunch, and team members attended the Football Awards Banquet.

Extra Special Days

January brought semester finals with the new year. In February there was an after game dance in Savanna's "Dance Pavillion," and a group called "Warhorse" entertained the students with a special concert. The twelfth graders received their long awaited senior pictures and ordered their graduation announcements. March began with Basketball Awards Banquet. Football Boosters sponsored a pancake breakfast and a rummage sale. Saint Patrick's Day was made extra special with the band "Eulogy" from KEZY. The Senior class sponsored a fun filled Senior Week. In April the Rebels took a rest with Spring recess. During May a special show entitled "Rebel 77" enabled interested students to display their talents. Band Awards Banquet, Choir Shows, and special Drill Team contests filled the month with exciting activity. In June a lot of the extra activities were slowed down because of last minute plans for graduation. Finals were here once again. Seniors were involved with Awards Night, Baccalaureate, and, of course, Commencement exercises. After graduation, seniors were able to have one last "fling" as they celebrated Grad Night.

Class of '78 Is Enthusiastic

The Junior House was made up of twenty-five representatives chosen from U.S. History classes. During their monthly noontime meetings, the members pooled their ideas for new activities to make the year more intresting. With Mr. Hoffman as its sponsor, the Junior House had several sales to raise funds for the class of 1978. The more notable contributions were a concert during lunch, an "after the game" dance, and the Junior/Senior Prom.

New Rebels, New Activities

Driver's Education classes were the source for the Sophomore House representatives. The nine students who made up the group were very active in coordinating Sophomore activities. With Mrs. Dutch acting as the sponsor, the representatives held meetings and organized fund raising plans. They made profits from a hat sale, a necklace sale, and a Sophomore sponsored booth at the October Halloween carnival.

ICC Brings New Life to Campus

The presidents and representatives of all the clubs on campus made up Inter-Club Council, or ICC as it was commonly known. Advised by Mr. Maib, their projects included a balloon sale at the last football game of the season, a candy sale in January, and a canned food drive during December. Their big project was the "Rebel '77" show which took all year to plan and was presented in May. Led by President Karen Towers, ICC kept clubs informed and encouraged involvement in school activities.

Spirit Promoters

Pep Club started off the year with a lively Homecoming Week as they sold pom poms, pennants, mums, and carnations. Other industrious projects included painting signs for the games, forming a cheering section at the games, decorating the gym for pep assemblies, and helping out with Spirit Week. Under the advisorship of Mrs. Mallory their purpose was to promote student participation in school projects and activities.

Organizations Reflect Interests

Radio Rebels, one of the new clubs on campus this year, offered enjoyment in the fields of citizens band radios and electronics. With Mr. Trendel as the advisor their projects included a car rally, citizens band radio seminar, swap meet, and a car wash. During the meetings members discussed activities and worked on group projects.

Girls interested in rendering service to the school while having fun at the same time took part in Sa-Rebs and its rewarding activities. The object of this club, sponsored by Mrs. Tate, was to serve the school and community. This was carried out through the year as the girls raised money with a bake sale and a sucker sale and decorating the teachers' lounge for Christmas.

Business Leaders of Tomorrow

The Future Business Leaders of America started off the year with a successful donut sale. At Christmas they had a bread dough ornament sale and a linen calendar sale. The funds they raised were used to send members to conferences and business contests throughout the state. During the meetings members discussed who would be sent to the contests and conferences. To develop competent business leadership, strengthen self-confidence, create interest and understanding in the intelligent choice of business occupations, and train for useful citizenship were all goals of the FBLA.

Rebels Stay Active

Rendering services to the school and community was the purpose of the Service Gents. Beginning their service tasks, the Gents had a booth at the Halloween Carnival, sold Christmas bulbs, and held a car wash. The proceeds from their activities went toward taking Cerebral Palsy kids to Disneyland.

The purpose of the Savanna Tennis Club was to prepare students to play on the tennis team. Advised by Mr. Hansen, their big project was to sponsor a tennis-a-thon to raise money for new uniforms. Other activities were viewing instructional films and running intraschool tournaments.

N.S.A. Teach Preschoolers

Four days a week the Nursery School Assistants worked with three and four year olds in the preschool at Savanna. The kids got to play on the play ground, put together puzzles, draw and paint pictures, and play with various toys all under the supervision of Mrs. Rowley and the girls enrolled in N.S.A. They also listened to stories and took field trips to the fire station and the hospital. This was a job-training group and many of the students who finished the course were placed in preschools throughout the area.

Rebels at Anaheim Bowl

Every Thursday after school the Savanna bowlers met for an afternoon of bowling and fun at the Anaheim Bowl. This club was open to experienced bowlers as well as beginners. Sportsmanship was felt within the club as Rebels tried to help one another improve their games by giving each other a few pointers. Under the direction of Mr. Farr, Savanna bowlers competed against Loara, Western, and Cypress High Schools on various occasions. Fun and friendship was stressed throughout the year as these bowlers strove to better themselves in many phases of the game.

Jazzers Rate Superior

The Savanna Jazz Band hosted the Savanna Jazz Festival for the sixth year in a row. They also participated in three southern California jazz festivals, four fourth Sunday of the month "Jazz Happenings", and performed in various assemblies at Savanna throughout the year. The Jazzers were superior musicians who were selected by audition. Under the supervision of Mr. Gunderson, the group was in constant demand at various clinics and conventions as they continued to rate superior at all the festivals.

Great Sounds

Thirty-two outstanding Savanna musicians joined the Chamber Orchestra. With Mr. Gunderson as their advisor, they studied various music styles and performed them on their stringed instruments. Orchestra consistently rated excellently at District music festivals. Other activities this year included service club performances, the Chapman Festival, "Holiday in Music", and special auditions for the Orange County Youth Symphony Orchestra.

High Ratings

The Wind Ensemble and The Concert Band were the most important groups in the Instrumental department. The eighty members in the Concert Band and the forty-five members in the Wind Ensemble held a wide variety of concerts throughout the year. With each player contributing to the group with individualized talent, Savanna's record of superior ratings was well maintained.

Pep Band Lifts Rebel Spirit

Creating spirit was the purpose of the Savanna Pep Band, and they did an exceptional job. Each individual was also a member of the marching band. They attended away football games and home basketball games and helped support the teams. Selected and supervised by Mr. Gunderson, they also performed at all the pep assemblies and helped bring out the spirit of the Rebels.

Marching Rebels

The Mighty Marching Band, under the direction of Mr. Gunderson accumulated more victories this year. At the Chaffey College Tournament they defended their title and again took Sweepstakes. At the Southland Field Show they rated second and at the Orange Tournament they marched off with a first place. The toughest competition was the Los Altos Field Show Tournament where the Mighty Marching Rebels came through with another Sweepstakes. A special event this year for the band was a weekend trip to San Francisco where they performed at a 49'ers football game. They also attended the Band and Drill Team Spectacular in October, and the Mission Bowl in November. At various times during the year they sold pizzas to help raise money for their different trips. They ended a spectacular year with a one week tour to Washington and Canada during the spring.

Musicians Perform

The Marching Band had over 100 members playing instrumental music for competition. A special out-of-state program brought about more opportunities to display talents. Students were flown to Seattle near the end of March and returned in early April. They housed with other "musicians" and had competitions between themselves. Band performed quite a bit during Spring Tour but still managed to see the sights and have a great time.

Pageantry and Color

Savanna's Banner and Flag Corps provided color and pageantry to field and parade performances by Band. With Mr. Gunderson acting as its advisor, the Corp turned long practices into many fine shows. This year's activities included team competitions, the Mission Bowl, a Spring tour covering Washington and Canada, and a San Francisco 49ers game.

Drill Team Raises School Spirit

The Rebel-Anne Drill Team, supervised by Mrs. Ring had a great year. Along with the marching band these girls performed at football half-times, basketball games, parades, and competition shows. At the Los Altos Field Show they placed third and at the Southland Field Show they came up with a second place. At the Orange Tournament they marched away with first place and at the Chaffey College Tournament the girls defended their title by again capturing Sweepstakes. They also accompanied the band on a weekend trip to San Francisco where they performed at the 49'ers game. The Drill Team also marched and danced at various assemblies throughout the year, and competed at the Miss Drill Team U.S.A. The purpose of the Rebel-Annes was to promote interest and participation, provide for leadership and character development, encourage development of desireable practices in self-discipline, and promote school spirit.

Miss Drill Team

In early February, the Savanna Drill Team members took part in a pageant that included over 6,000 competetors. *The Miss Drill Team U.S.A. Pageant* was held in the Los Angeles Sports Arena, and it brought about outstanding results for the Rebel-Annes. The Military Precision Team, with twelve Savanna performers, brought home the First Place trophy. Shelley Johnson represented Savanna in the California Contest. The seventy-four girls in this contest were judged in three different areas; dance routines, speech, and modeling. The awards ceremonies were held in the Santa Monica Civic Auditorium; and it was there that Rebel-Anne leader Shelley Johnson was crowned Miss Drill Team California.

New Discoveries

The Science Club was formed to promote interest in the study and application of science to today's culture. Geared to students with a natural interest in the sciences, this club was in charge of distributing Science awards and scholarships. With Mr. Brown as the advisor, the club members were able to sponsor activities and go on special outings. They hosted a campus seminar about genetics for the benefit of the student body. One of the most interesting excursions was an overnight field trip to the Joshua Tree Monument in Northern California.

Top Singers

Maintaining a high standard of excellency was Savanna's top vocal group, the Madrigals. Under the direction of Mr. Bourne, this group won wide acclaim for the choral department at Savanna. The group was in constant rehearsal as they performed at many outside functions including banquets and convalescent hospitals. They also sang at every concert given by the music department, and performed in the "Holiday in Music". The Madrigals have always been the select choir and students had to audition before they were chosen to the group.

Madrigals Reach Perfection

Singing with the Madrigals provided an outlet for creativity, an opportunity to share the beauty of special songs, and an exciting way to grow musically. Many close and lasting friendships were developed through the many hours of work and performance.

Select Group

According to the director Mr. Bourne, the members of the Madrigals discovered, through many long, hard hours of rehearsal and their numerous performances, the special thrill that came from being a part of a superlative musical experience. They learned what it takes to add that extra spark.

Blending Voices

The Madrigals learned and experienced how much concentration one has to give to blend his or her voice perfectly with the ensemble. They also put in extra hours to add choreography to their music in order to more fully share their songs.

Reorganized Concert Choir

A new group, Concert Choir, which was reorganized from A Cappella had a successful first year. Under the direction of Mr. Bourne, they held three concerts, one in the fall, one in winter, and one in spring. Then in December the Concert Choir took part in the "Holiday in Music". Their purpose was to learn music, work with people, and perform songs.

Practicing a Necessity

The many talented members of Concert Choir realized that practice was a real necessity for good performances. Their three concerts that were held during the school year were all exceptionally well done. Team work and long practice sessions were important factors in determining the success of the group. Mr. Bourne, the Concert Choir director, provided training and inspiration for the enthusiastic students.

Concert Choir

The students in Concert Choir had a year of unique singing opportunities. There was a lot of extra curricular time spent for the members of this fine group. They were all brought closer together, and the many practices led to fine performances. They learned, through experience, that fine results will come to talented singers with determination.

Time and Effort =Best Results

A Cappella Choir was a singing ensemble for boys and girls with a good singing ability. These fifty members worked hard all year long. Besides participating in class, the members sometimes had to arrange special practices outside of school time. The extra effort proved to be worthwhile when the performance results were in.

Scholars Gain Recognition

Each member of National Honor Society had to maintain a grade point average of 3.0 or better throughout their sophomore and junior years. They also had to have approval of the faculty. Members planned projects for the year. A canned food drive for needy families was a success during the Christmas and Easter holidays. The winter activities included the annual car rally, while spring brought a field trip to the Los Angeles Music Center and the Annual Induction Banquet. At graduation each member was awarded a blue cord for academic excellence.

Choice Scholars

The purpose of the California Scholarship Federation was to promote graduation recognition and scholarships. Each member had to have a grade point average of 3.4 or better and an application had to be submitted at the beginning of each semester. Under the direction of Mr. Koskela, CSF members stayed active with a sucker sale, flower sale, and various field trips and conferences. During the meetings all members had an opportunity to offer suggestions or comments concerning the groups projects. They ended the year with their annual Honors Banquet held in the spring.

Mecha Club Revived

Mecha Club was an active club a couple of years ago, then became lost. This year the group was re-organized by many enthusiastic students who were advised by Mr. Ball and Mr. Koskela. The students were involved in various projects and activities throughout the year including the Cinco de Mayo Festival and painting a wall mural at Savanna.

Savanna's Fishermen

The purpose of the Savanna Fishing Club was to promote all aspects of fishing. Advised by Mr. Hicks, this was their second year. Lead by president Chris Downie, they took a trip to Lake Perris and the more experienced fishers taught the others the finer points of fishing and making your own lures. They also planned and participated in casting tournaments in the Savanna pool.

Songleaders Razzle-Dazzle

The Varsity Songleaders did a great job coordinating and inspiring spirit and enthusiasm within the student body. Lead by Head Songleader Donna Gustafson, they perfected routines which they performed for the Rebel student body at pep assemblies and also in competitions. They also raised the Rebel spirit as the girls danced and cheered at sports events.

That's Entertainment

1977 marks the sixth year of Savanna's Drama Company. Under the sponsorship of Ms. Morrow, the "Thespians" have presented twenty productions for the school and the community. Besides organizing the yearly productions, Drama Company participated in many outside activities. A special assembly gave fellow students a sneak preview of shows to come. A spectacular Car Rally was sponsored by the Company in the beginning of the school year. The Thespians were very active in working with the Annual Drama Conference and they had an acting retreat among themselves.

Talents Shown

The members of the Drama Company needed a lot of candidness and expression to act out their parts correctly. Although a lot of "fun" roles were assigned, most of the parts required extra work and concentration. The production of "Finnian's Rainbow" was main goal of Drama Club for the 1976-77 school year.

Finian's Rainbow

This year the Drama Company took pride in producing a musical version of Harburg's and Lane's "Finian's Rainbow." Sign-ups, auditions and acting skills were important in determining the choices for casting. Special costumes and sets added to the overall professional performance. After lots of practices the Thespians were finally ready to present their finished product. The play was first shown for two local junior high schools. The grand debut for Savanna was held in the auditorium on March 12. The two following performances were on March 18 and 19.

The Singing Irish

The Thespian's production of "Finian's Rainbow" was basically the same as the original version. It had amusing dialogue and great musical numbers. Ms. Morrow, the director of the Company, made a script change that in no way affected the entertainment value. It was filled with singing, dancing, and dramatic acting. Producing the play was a satisfying experience for the Thespians and it was well received by the viewers.

"Savannan"

The Savannan '76 took a second place award at the Columbia Scholastic Press Association with an improved score over the Savannan '75. This year, with the exception of two photographers, there were no returning yearbook members. The staff faced a big challenge with only fourteen members and no one who was able to attend the summer yearbook workshops. Fortunately several of the new staff members were able to transfer into the class and learn a few techniques used in putting together a yearbook. After that it was choosing sections, style and a theme along with taking pictures and writing copy. The entire staff, and advisor Miss Jones, agreed, "this was one hectic yet satisfying year".

Creative Journalists

Although the newspaper staff was smaller this year, they were all select people who worked hard to produce eight issues of the Dispatch. In preparing the paper their main goal was to keep students informed and encourage involvement. Advised by Mrs. Tate and lead by editor-in-chief Steve Yahata the staff's jobs included writing articles, proofreading, planning layouts and paste-ups, and finally the distribution. Savanna students were encouraged to help in commenting on local events so that the Dispatch would voice the thoughts and opinions of the students.

Girls Work for Common Goals

Under the sponsorship of Mrs. Buchanan and Mrs. Soros, Girls League accomodated the school and its members through various activities. The purpose of Girls League was to encourage girls to express their thoughts and ideas and develop them through cooperative activities and fellowship. Projects included a booth at the Annual Anaheim Halloween Carnival, a fashion show in November, a candy sale in December, the winter formal in January, a Sadie Hawkins dance at the end of Senior Week, a flower sale before the Prom, and a picnic at the end of the year. Members seemed to feel that the fashion show, winter formal, and Sadie Hawkins dance were the highlights of the year.

Wishing Upon Winter Stars

Instead of the traditional Christmas Formal, Girls League transformed this annual event into the Winter Formal. The theme for this year's dance was "To Wish Upon a Winter Star" which was contributed by Suzie Maese. This festive occasion was held on January 22 at the spacious Westminster Mall. Even though the name of the dance changed the code remained the same, "girl ask guy".

Tradition Is Changed

The entertainment for this gala evening was provided by a ten-piece dance band, "Jason". Many bands were reviewed but they were chosen by the members of the Girls League workshop. An extra added attraction this year was Tina Lenert, a member of the Los Angeles Mime Company who performed mime and magic.

Rebels on the Slopes

One of the new clubs on campus this year was the Savanna Ski Club. Lead by president Jeff Spiker, and advised by Mr. Sanders, they began the year with a successful Pet Rock sale. They also had lessons for beginners at Sunland Skiers and during the spring the whole club went on a skiing trip. Their purpose was to familiarize students with skiing, make lessons available, and organize ski trips.

Clubs, Clubs, Clubs!

Playing a major role in the development of students' characters were the diverse and many organizations of Savanna. There were thirty-three different clubs and organizations on campus this year and a large percentage of Rebels were involved in at least one or more of them. The faculty played an important part as they got the clubs started and provided their rooms as meeting places. The service organizations did a great job of serving the school and community. The bands, drill team, cheerleaders, and singers represented Rebel talent and pride all over the state. Many of the other clubs served the wide variety of interests the Savanna students possesed. These organizations helped the Rebels to develop leadership, knowledge, and cooperation and have fun at the same time.

Principal's Message

It has been a pleasure for me to be at Savanna replacing a popular and respected predecessor. My first goal was to become acquainted with the faculty and students and slowly raise the sights of all to the true purpose and mission of education. I found a great faculty and a work oriented student body eager to learn, polite, enthusiastic and supported by their parents. I found a student body dedicated to a high moral standard of respect of others. I found an eagerness to gain skills that would assist in employment opportunities and an academic climate that stresses fundamental application to the learning processes of the scholar. I feel the first goal has been met. In the future it is my wish to smooth the "rough spots," like tuning a fine instrument or machine.

We can all do better. We must learn the need for hard; rekindle the love of good music, reading good books, engaging in thoughtful conversation and developing the art of listening. We must be brave enough to say no and remember the ideals put before us by our parents. We must turn off the television, the fast car, the "fast buck." In their place we must prioritize our loyalties to the proven and lasting love of our parents, our religious beliefs, our true and respected friends.

We must set goals; in the beginning small ones, one step at a time, and use our education to increase our potential. We live in the most challenging period in our country's history. Opportunity is made for those prepared to accept it.

Thank you for having accepted me as your new Principal. As the seniors leave this fine school, it is my hope they will take with them the pride and traditions of excellence learned here.

Secretaries Are Efficient

Rebel secretaries, Jewell Ross and Virginia Hurst, have been efficient and skillful in maintaining the main office. Mrs. Ross has been principal's secretary for four years and Mrs. Hurst has been the PBX clerk for three years. Their work includes typing, filing, handling business transactions, and many other vital activities. Mrs. Ross and Mrs. Hurst have both done a tremendous job at Savanna High.

Assistant Principals

Larry Fancher and Herbert Roesener served as Savanna's Vice Principals for the 1976-77 school year. Mr. Fancher supervised the Unit Office M-Z. He coordinated the whole registration and scheduling program. Mr. Roesener, who was new this year, supervised the Unit Office A-L. He was involved with maintenance, student transportation, attendance and grounds. Both Mr. Fancher and Mr. Roesener supervised student instruction, coordinated budget and evaluated personnel.

Helping Rebels

The Student Service Council consisted of five counselors, an activities director, a media coordinator, and a school nurse. They lead the way for Rebel Students. This group of dedicated adults kept students involved and active in school. With careful guidance and help, they assisted students whenever possible.

ASB President Ron Kincaid

For the past year, I've served as your Student Body President. I sincerely thank all of you for allowing me to carry the pride and responsibility that is associated with this office. Student Government has always meant a great deal to me. I hold it in high esteem. It's challenges and potentials are overwhelming and it's experiences and accomplishments were rewarding. I have been priviledged to be your President.

As both a member and fellow Rebel, I would like to thank the Student Council for their enthusiasm and dedication throughout the year. They have been a fantastic group of people. I also thank Mr. Maib, our Activities Director, for all the guidance and help he provided. I thank the faculty and administration for their appreciated cooperation with Student Council. But most of all, I thank each and every Savanna Rebel. Your spirit, pride, and participation has made Savanna unique.

I wish much success and happiness to the graduating class of '77 and to all future graduating classes.

I will always be a Savanna Rebel.

Executive Board Leads Rebels

The Executive Board consisted of the ASB and Class Presidents and other Council officials. It's function was to pass bills and make decisions in emergency situations. The Savanna Executive Board was the bond between the Congress and Council that kept student government united. They were hard working, dedicated students who made dicisions in the best interests of the student body of Savanna High School.

Student Council Promotes Spirit

The 1976-1977 Student Council's main concern was to open Student Government up to everyone. The combined forces of all members helped them reach their goal. Open Council meetings and accessable council members gave everyone a chance to voice their ideas. Council planned many activities that helped diversify the usual school functions. Under the leadership of Ron Kincaid and the coordination of Mr. Maib, council successfully led Savanna through a year that displayed true Rebel Pride.

Congress Keeps Students Informed

Savanna's Student Congress for 1976-77, played a very important role in keeping the students informed of up coming events. At the Congress meetings, the representatives were able to voice their ideas and suggestions. Working with the representatives through their classes, Congress brought forward many new ideas. With the strong leadership of Gill Kanel, ASB Vice President, and Linda Risberg, Congress Secretary, Congress was also able to fulfill their main goal of having a successfull United Fund Drive.

Classroom Traffic

Driver's Education, with Mr. Frank as the Department chairman, was busy with active sophomores. The team teaching system went over very well. Texts and films were used extensively. Guest speakers from the D.M.V., the Police Dept. and Insurance companies kept interested sophs open-eyed. Savanna had the latest and most up to date equipment, including computerized simulators for the benefit of the drivers. Pamphlets, magazine articles and statistics were always in use to enlighten the students. Perhaps the most valuable part of the program was the actual "in the car" training, with the teachers working together to put good, safe drivers on the highway.

Good for Everybody

One semester of Health II was required of every sophomore. In a short while they studied mental health, nutrition, weight control, consumer protection and environmental health. The students also learned the facts regarding alcohol and drugs. Anatomical models, X-rays and human tissues were examined, and films and texts were used to teach important information. A short unit on First-aid is something the sophs won't forget. Mr. Sanders, who was Health department chairman, taught Marriage and Family Living for seniors. It was a course that explored the encounters met in marriage and gave those enrolled in the class lots of preparation and advice.

Going Strong

The P.E. Department had its schedule packed with new and interesting classes. There were fishing, bicycling and back-packing trips, weight training and self defense courses; and, for the real activists, there were courses such as skiing and jazz dance. Other classes, too numerous to list, were thoroughly enjoyed by the participating students.

Big Selection

Most courses offered in Savanna's Physcial Education Department were co- educational. Mr. Smick was in charge of the boy's section and Ms. Owen was in charge of the girls. Some of the more popular co-ed classes were swimming, volleyball, softball, football and recreational sports. The department offered something for everyone with unusual courses, such as backpacking, cycling, figure control and weight lifting. During the last class period, athletics were offered in both boys' and girls' divisions.

The Beat Goes on

This year's Instrumental Department was very busy with hard working performers. Mr. Gunderson, as organizer of the Marching Band, Concert Band, Jazz Ensemble and Chamber Orchestra, had quite a busy year himself. With the help of the assistant director and a coaching staff, the students were well prepared for their annual performances. Be sides entertaining at half-time shows, the Instrumental Department went on a Spring tour to Washington and Canada in April, and attended a Forty-niners show in San Francisco. There was also a Jazz Festival and a Spring Jazz Concert which were both very successful.

Rebels Harmonize

Our vocal instrumental department gave interested students the opportunity to participate in many musical activities. Members of the group joined for their own personal enjoyment. They gave the school and the community a lot of enjoyment through their performances. Mr. Bourne was busy with the many different levels of vocal instruction that were taught this year. The Mixed Choir, A Cappella choir, and Advanced Choral Ensemble were involved in a number of musical performances. The Madrigals had a very good year also. The music department as a whole, offered the development of musical interests and strengthened the performance level at which the students played.

Basics Learned

This year the English Department brought about a change in instruction. All grade levels took a first semester course in grammar, composition and related skills. Second semester students took quarter or semester classes in literature and other electives. The Department chairman, Mr. Shore, stressed that the fundamentals learned in the first half of the year would be enlarged upon in the second half.

Future Skills

The Home Economics Department, headed by Mrs. Rowley, offered a wide variety of super Classes. Creative Cooking, Environmental Living and Creative Needlecraft were co-ed this year. Courses in Sewing, Fashion Merchandising and Nursery Assisting were offered for the girls. In December the Home Ec members proudly displayed their creations at a Christmas open house. The Fashion Merchandising Boutique opened right here on campus on November 29. Home Economics achieved its basic goal of preparing students for their roles as homemakers and wage earners of the future.

New Challenges

Mrs. Bosna, the head of the Reading Department, taught Basic Reading for five periods. Altogether seven classes were offered. This year we had six new speed reading machines for controlled reading. Students had individualized interest projects and read year'round. Guest speakers spoke on current social topics such as alcoholism, sports figures and even careers. Supplementary texts and mini-units also aided the students in acquiring good reading skills.

Artists Thrive

Demonstrated techniques, filmstrips, and examples of previous student work were used to encourage creativity in artwork. Mrs. Jensen, head of the Art Department, and the other art teachers offered Drawing, Painting, Leather, Crafts, and Ceramics. Two of the teachers switched classes for a while so they could share their artistic abilities with every student. Both the beginning and advanced courses had a year of rewarding experience.

Summing It All up

Many students enrolled in math this year. Practical Math, Geometry and Trigonometry were the basic classes. For those students needing a higher level of math, Calculus, Probability, and Statistics, were offered. Mr. Ferguson was the chairman of the Mathematics Department for this year. During February, and March, students had access to newly built computers. Students benefitted from the computers, working in groups, and direct teacher instruction.

Class Action

The Business Education Department, under the leadership of Mr. Richey, offered training and guidance to students preparing to enter the business world. Occupational skills such as typing, shorthand, bookkeeping, and business machines, were developed through the various classes. There was even a "model office" which gave the students an accurate duplication of an office atmosphere. This helped them in adapting to the type of surroundings in which they will soon be working.

Insight Gained

Science offered a variety of classes this year. Five teachers taught a total of twenty-four classes a day. They were Chemistry, Biology, Physics, Oceanography, Pysiology, Life Science and Physical Science. Each course was based on a combined method of lecturing, lab work, and use of text. A variety of experiments and research projects could be found in the Science classes which were under the leadership of Mr. Yingst. Some groups took field trips to study nature while others went to Sanitation Departments and Research Laboratories. In every class students learned valuable knowledge that they will need in future years.

In Training

Mr. Hoffman headed the Industrial Arts department for this year. It was very valuable to those students studying modern mechanization. The courses offered included Drafting, Autoshop, Electronics and Wood. Each subject area had its own equipment, texts, and tools. Some of the students were involved in extra curricular activities such as being in contests and having their projects shown in displays and exhibits.

Yesterday and Today

Our Social Studies classes were designed to give students a better understanding of their country past and present. Juniors who took U.S. History learned the development of America from the pre-colonial period up through the Civil War. The seniors got a taste of current events and politics through their American Government courses. The department, which was headed by Mrs. Buchanan, also offered psychology, anthropology, sociology, and current issues to seniors. Guest speakers, field trips and special projects, added interest to the history classes and helped the students to better appreciate their heritage.

Los Estudiantes

Although the Foreign Language Department was limited to Spanish this year, it offered valuable knowledge to those students enrolled. Visual aids and tape recordings were used frequently, but reading, writing, and speaking of Spanish were the areas most emphasized. The culture of Spanish speaking people was an important part of understanding the language. Later in the year the students got a chance to sample a little bit of Mexico through their various excursions. Cerritos College sponsored a Spanish Film Festival that was very interesting for teachers and students alike.

Individual Help

The Special Education Department was for those students with specific tutorial needs. Eight classes of L.D.G. were taught between Mr. Ball and Mr. Hansen. Mrs. Mallory taught aphasics for five periods a day. All the students in the special education department received individualized help in the most important learning areas: communicative skills, study skills, and reading. Visual aids, machines, and group studying helped to advance the students and gave them preparation for the future.

Student Aides Ease Staff Work

Opportunities for on campus office training were great this year. Through Savanna's clerical aide program, students were able to learn the necessary rules that are needed to organize and maintain an office. The basic jobs such as filing, answering the telephone, and successfully handling paper work, were important in this program, as preparation was what it was all about.

Students with a good knowledge of a subject were chosen to be Department Aides. These laboratory assistants were valuable to the teachers who could rely on their help with everything in the class, and to the students who benefitted by the additional help they received.

Job Offerings

R.O.P. was a vocational training program that provided a rich learning environment for students. They gained skills needed for jobs through direct experience. Progress was available to anyone with the ambition to achieve it. Each student learned how to get a job and was established on file for future job references. Earning high school credit was optional, but certificates of achievement were given to everyone on completion of the courses.

Students Benefit

Mr. Bulkley was the Guidance Counselor for Savanna's Regional Occupational Program. He advised students on employment opportunities, and helped to develop their skills and talents. There was something for everyone in R.O.P.'s "world of work". Courses ranged from cosmetology to landscaping. They were divided into four sub groups dealing with manufacturing, data, people and products. This wide variety of departmental offerings was a primary reason for high enrollment.

Students Excel

In order to develop potentials for academically skilled students, an Honors Program was initiated last year. Those enrolled were involved with honors for three periods a day. The department included different levels of academic subject matter. Mr. Farr taught mathematics, Mr. Linn was the social studies teacher, and Mr. Shore was the English coordinator.

Rebels Win Opener

The pre-season efforts of Coach Merkle, his staff, and the fighting Rebel team brought Savanna a smashing victory in its opening game against Long Beach Jordan. Excellent teamwork, Tim Aguayo's 22 carries, and Grant Parker's completion of 7 of 11 passes gave the Rebels a 28-8 victory.

A spectacular play by Russell Ellis in the last minute of the Savanna - Cal High game came too late to bring the Rebels a victory. Ellis grabbed a bouncing fumble and raced 55 yards for a TD. The Dad's Night crowd at Western Stadium on a rainy night saw Savanna lose by a narrow margin, 19-14, to the Condors from Whittier.

Thrill of Victory . . .

The mighty Rebs soundly defeated Magnolia's Sentinels in the 1976 Freeway League opener. The Rebel defense starred as it forced Magnolia into 5 turnovers and held the opposition's scoring to only 3 points. Half-back Tim Aguayo was impressive as he rushed for 132 yards.

Rebel Pride was never greater as the Big Red team upset favored Anaheim High by a score of 29-27. A homecoming crowd of 10,000 fans saw a "nip and tuck" battle in which a 36 yard field goal by junior, Boyd Mortensen with less than two minutes remaining in the game proved decisive. This game shattered the myth that the Colonists are unbeatable.

. . . the Agony of Defeat

The hard-hitting Rebels experienced consecutive disappointments at the hands of league opponents Lowell and Buena Park. The Patriots squeaked past Savanna by a score of 26-25. The Coyotes victory was also narrow as they were victorious by a single point—8-7. Savanna bounced back in it's next league game, handing Sunny Hills a defeat by the score of 19-12. In this game Tim Aguayo set a new single season rushing record when he passed the old mark of 1,001 yards.

A Second Place Finish . . .

On the road for the last away game of the 1976 season, the Rebels met the Warriors of Troy High School. In a tough struggle the Red and Gray lost a heartbreaker by a 30-27 score. In the final contest of the season the Big Red Machine looked it's best as it slapped the Pioneers of Western High with a 34-0 defeat. This victory gave the mighty Rebs a 5-4 record for the year and second place in the Freeway League standings.

J.V. Football

The Rebel Junior Varsity football team had a fine season, with the total season standings of 5 wins, and 4 losses. Defence action included fine plays turned in by quarterback Dave Gustafson, and receiver Lance Parker. Defense also had it together this year with such players as Stu Ashe and others. With an overall team effort and Coach Munch to direct their talents, our J.V. team shows us that we can expect excitement in the upcoming football seasons at Savanna.

All Out Effort

Under the direction of 2 fine alumni football players, Joe Martelli and Paul Greiner, the Sophomore football team had all the potential for a winning season. Unfortunately they could not put it together in time. Exceptionally outstanding players were Kevin Peralta at quarterback position and Cappy Hartman who with great stamina and endurance alternately played the positions of offensive guard and linebacker. The Rebels hope for a better turnout in the many seasons to come.

Cross Country Tries

The Cross Country team under the direction of Coach Hastings saw many new faces during the season of 1976. All except three of the Varsity distance men were Juniors. Outstanding Varsity runners were Mike Rumsey, and Tim Decker who both clocked an excellent time of 10:40 for the exhausting two mile course. Although this season didn't turn out the way they had hoped, the future looks extremely bright for a strong Varsity team of '77.

Tough Year

The Junior Varsity and Sophomore Cross Country teams faired very well this season, with each team finishing in third place. The Junior Varsity team, which was lead by Doug Lalicker, Jesus Robledo and Dan Wheeler, showed a strong desire to have winning seasons in the future. The sophomore distance men earned a strong second place in the league meet and third in season standings. Sophomore leaders were Chuck Stewart, Mike Wilton, and Larry Dooley.

Pre-Season Action

The Varsity Basketball Team, under the supervision of Coach Schlichting, had high hopes as they prepared for the Long Beach Wilson game. It was a close game with Savanna coming out on top with the score of 66-62. Then traveling to Cerritos for the Cerritos Tournament, the Rebel Cagers were downed in their first two games. With one win and one loss behind them, Our team went on to the Valley Christian Tournament where the Rebel Cagers took a strong third place with Brett Heidner as high scorer for Savanna. Then after an upset at the Orange Tournament, the Rebel Cagers then prepared for League Competition.

Showing Talent

Feeling the need of a strong victory, the Rebel Varsity Team prepared for Anaheim. Here they showed real talent as seen in many outstanding players, such as Brett Heidner and Don Pace. In spite of their efforts, the Colonists racked up points until the game ended with our defeat at 59-67.

J.V. Spirit

Under the guidance of Coach Dave Tyo the Junior Varsity Basketball Team started on its way to a promising season. The J.V. squad showed impressive games against its rivals such as Lowell, and other strong teams. The young J.V. squad gained valuable experience for a winning team next year.

Tough Season

In spite of long practices and hard work, the young Rebels lost some of their games this season. Mike Sheldon was the standout in the Junior Varsity squad. He led the scoring and rebounding department while Dave Lucas and Adam Gasparaveich provided the one-two punch in the backcourt.

Sophomores Keep Trying

Despite a dissappointing season, the sophomores proved to be a fierce team for their rivals. Against Lowell the Rebels put on a struggling game only to lose in the final seconds of the game. During the season the Rebels suffered due to the lack of experience and shooting, the nucleus of a winning team. Despite the losing season there were many outstanding performances. Dave Duff provided muscle and needed rebounds while Al Lane scored highest to lead the young rebels. Art McKibben, Larry Dooley, and Kevin Garrett also helped the sophomores through the season.

The Mean Machine

With the help of the parents the Rebel Wrestlers added a new look this year. They both worked hard on raising funds for the new uniforms and warm-ups which the Varsity wore. Coach Muench and Coach Zander worked hard with the wrestlers during the summer, and during the pre-season to produce one of the best teams that Savanna has had. The team worked on learning and perfecting the basic moves which they used throughout the year. New faces were sure to be seen, but the Rebel wrestling program seemed to be attracting an unusual amount of people. This year's team may well have been the largest wrestling team that Savanna has ever had.

Breaking the Ice

The 1976-77 Varsity Wrestling team finally broke through the ice. This year's team has come a long way, and waited a long time for what most of the members have worked three long tough years. The Rebels this year did a few things that had not been done in quite some time, or had not been done at all at Savanna. They surprized some people by actually winning some League Matches. The Rebel wrestlers also defeated Lowell, which is something that Savanna had never done before. These were a few of the surprises that the Savanna wrestling "MEAN MACHINE" had up its sleeve. This may well have been the beginning of a well developed wrestling program for Savanna.

Future Leaders

The Junior Varsity Showed signs of being one of the best teams in the Freeway League. There were several factors which contributed to this, but the main reason would be that most of the Junior Varsity members were people that could not beat the person that was on Varsity. They were all potential Varsity members then. So it is not hard to see how they took a second place at the University tournament. Similar things were done by the Junior Varsity throughout the year, both by the team and by individuals. The Sophomore team had some fine wrestlers that will contribute to the future Varsity and Junior Varsity teams. With the help of both Coaches, and the rest of the team, the sophomores worked hard on learning all the basic moves that were necessary to survive on the mat. After learning the basic moves, the Sophomores proceeded to perfect the moves they liked to use. The only way to do this would be to actually wrestle and learn from experience. The sophomores along with the Juniors were the future Rebel wrestlers. They will have to be the leaders for the ones that follow.

Rebel Track Leaders

The Rebel track team had a very successful season. They worked hard all year and showed excellent team work. There were some Rebels that seemed to be the leaders though. Some of those leaders were Zim Walker in the high and low hurdles, Tim Aguayo who sparked the Rebels in the sprints. In the middle distances Tim Deckert led in the half mile, and Tom Rivera led in the quarter mile. The long-distance was paced by Dennis Moore and Rory Rea. In the field events the Rebels were rallied by Mike Okura in the pole vault, Doug Lalicker in the high jump and triple jump, Rick Brown in the long jump, and Mike Mitchell in the shot put.

Track Performs Well

Coach Hastings has been coaching here at Savanna for many years now. This year he was the head coach and was also in charge of the sprinters. Each year Savanna has always had good sprinters, and this year was no exception. Savanna has also been known to have an excellent relay team, and this year they proved it many times during the season. There are many hopes for the future track team in all of the events. Some of them are Mickey Genzel in the pole vault, John Dooley and Jesus Robledo in the half mile, and Dan Wheeler in the sprints.

Girls Join the Guys

This year the Rebel track team had a strong start. The Rebels did well in all the field events. Coach Champlin took charge of the field events and was helped by Charles Roberts. Although Savanna was strong in talent they were not very strong in numbers. For this reason the Rebels did not have a junior varsity squad. The girls track team took their place though as they joined the guys in practice. The girls had the same coaches and were also helped by the varsity and at times by the sophomores. This was the first year that the girls competed along with the boys. The girls traveled with them to all the meets, and performed well. Next year looks to be even better for both the girls and boys.

Distance Looks Good

The Sophomore track team did not have a very good turnout, as compared to last years sophomore team. Despite this the sophomores worked extra hard, and gave all out efforts in the meets. The Rebels were tough competitors in the all new Freeway League with outstanding performances by Steve Jacobs and Larry Dooley. The middle distance and long distance events were coached by Coach Fries. The 1977 distance squad was also one of the best that Savanna has ever had. The future looks good for Coach Fries and the Rebel distance squad for the fact that most of the distance runners were juniors. These juniors will prove to be tough contenders for the league championships.

Test of Power

With hopes for a CIF championship this year the Varsity Baseball Team plowed through its rivals with overwhelming victories in tournament and non-league pre-season action. The Rebels started out with a strong pitching game against St. John Bosco. The Rebels also defeated Garden Grove, Newport Harbor, Santiago, Bolsa Grande before bowing to a powerful Tennor team in the championship game at the Palos Verdes Tournament. The Rebels could not have done a more outstanding job in non-league action.

Keeping Tradition

As league competition got underway the Rebels produced strong victories to their credit. Reviewing last years team the Rebels began this year in fine form showing much talent not lost from last year, to be potential CIF champions. Leading players were Jim Price, who struckout even the best hitters in the county, Grant Parker led the team with fine defensive and offensive performances, and Brett Heidner with fine defensive plays. These players made the outlook for the CIF crown even brighter.

Run and Gun

The Varsity Rebels (7-2) went up against Magnolia (500) into the start of the Freeway league. The Rebs went on behind Jim Price's ace pitching to equal Magnolia's massive hitting. Savanna went on to take the lead at 3 to 2 to win the game. This game could have been considered a game for the Freeway league title and the big red machine maintains the Rebel tradition of championship playing.

Reb Winning Spree

The Rebels met their fierce rivals with superior hitting and defensive plays. Many of the early teams like: Magnolia, Anaheim and Lowell were no match to the Rebels powerful defense and offense. This may account for outstanding achievements in pre-season action that helped the Rebels' envied record of 7-2. The Rebels superiority over its rivals could only be credited to the hard workouts and drills by Coach Berson.

Rebel Firepower

The Savanna Varsity Baseball Team ('76) after an average start came back to finish second behind Fullerton, in the old Freeway league during the near end of the season. Savanna then rallied from behind Fullerton to make the playoffs. Savanna then advanced all the way to the CIF semifinals only to lose to El Modena 7-6. Savanna still remained a powerful team that was robbed of a CIF crown. The Varsity Baseball Team of 1977 was well on their way to the CIF crown with strong players, such as Jim Price and Grant Parker.

Great Start

After a good season last year, this year's JV Rebels started out with a fine record through pre-season winning the championship game against L.A. Banning at the Palos Verdes Tournament. Only a few costly mistakes were committed by the J.V. Rebs but they made up for this through the last part of its preseason round. The J.V. Rebels survived some of the most crucial games experienced by any ball club and proved they could survive.

Reb JVs Win Opener

The J.V. Rebels started league competition in stride winning against Magnolia then going up against Anaheim and Lowell. Strong defense and a power hitting lineup were key factors going for the rebs. One of the factors going for the rebels in defense was the strong pitching led by ace hurler Ron Shelton. Other standouts in the field of defense were Jerry Halpin and Francis Feliciano. Many of the fine athletes on the J.V. team were gifted with balance that helped to the Rebel's winning cause. This is the result of fine coaching and baseball know how from coach Martelli.

Soph's Spirit

The sophomores also contributed to the Rebels' winning spirit but the sophomores suffered losses to schools such as Loara. Superb offense was no disappointment this year with fine clutch hitting from Terri Mote and Mike Sutherland. The defense took its toll but made super plays only the rebels can produce. Going into league competition the rebels ignited its potent offense in the first half of the season. Fine defensive pitching from Paul Kline produced many strikeouts that could not be ignored. Putting a powerful offense together with ace pitching could only produce wins that were a key factor in placing on top of the Freeway league at press time.

Having had the best league record in three years, the girls' tennis team showed great improvement. Kathy Just, the number one singles player, went to the tennis tournament but, after an all out effort, unfortunately she did not make it to the finals. Other outstanding players who went to the tournaments were Karen Amerkhanian and Gail Kanitz. With the great improvements shown by this years team the future looks encouraging for Savanna.

Girls in Action

The Rebel Volleyball teams, the strongest in the past three years, had a greatly improved season. Competing in a tougher league, Varsity finished their season fifth in League standings. Junior Varsity finished in fourth place. In the Invitational Tournament hosted by Savanna, the home team, directed by Coach Creighton, took second place. There were sixteen different schools in participation. The tournament lasted three days and eleven teams worked hard to score.

JV Has Zip

Savanna's JV Volleyball team had a reason to be proud. Many first year players showed that, with the right training, they could become quite strong. A Steady Eye Is Needed

The Archery Team participating with three other schools, (Katella, Loara, and Anaheim), came in third place this season. The four schools in every meet played a round robin of four games. Savanna's team was small, having only three returning players. Sue Bartlett and Lydia Maestas were the high scorers of the Varsity team. Miss Owen, coach of the team, said "Third place for a short two weeks wasn't bad at all".

Rebels Show Stamina

This year's basketball team, having more taller players, and seven returning veterans, showed to be a stronger and a better disciplined team. Both the Junior Varsity and Varsity teams competed in a stronger league. Softball Action

The Varsity and Junior Varsity softball teams had nine returning lettergirls this year. Joyce Cernuda, Shannon Egan, Cindy McKown, Tina Rebai, and Alison Rodgers played for the Varsity squad in the '76 season and Denise Jack, Josie Navarro, Teri Walsh and Debbie Wagner saw action with the JV's. The Savanna squads played against tough competition in the new Freeway League. Coach Creighton helped the girls through a tough season.

In the Swim

Endurance and determination were the key ingredients for Savanna's Swim team this year. Gifted with much ability, the swimmers were ready to take on all competitors. The team showed skill against many of their opponents in both league and non-league action. Debbie Hayes and Donna Gustafson lead the Rebel swimmers in form and talent. Coach Linn felt the team has continued to improve each year.

Badminton Team Effort

The Girls' Badminton Teams began their 2nd year in CIF competition. The team was much smaller this year, with only nineteen players. The seven returning players were Sue Bartlett, Terri Kasper, Terry Smith, Leigh Marsella, Lori Pettengill, Cathy Stuck and Sue Wickell. Each competition team consisted of three singles and three doubles. With early training and conditioning the Rebel Badminton team went into their season with much determination and strength. They faced many highly skilled teams and played tirelessly in the final tournament.

Grace and Power

The Gymnastics team under the supervision of Coach Ring, went on to perform its way through the season with excellent gymnastic skills on the uneven parallel bars, the floor exercise, balance beam, and vaulting horse. Individual members with outstanding performances demonstrated acrobatic, and often dangerous, high flying jumps. These girls showed determination for a tough competitive season.

Charlene Love

Outstanding Girl Athletes 1976-77

For the first time in its history, the Savanna Girls' Athletics chose to honor three girls as Outstanding Girl Athletes of 1976 - 77. In the past this recognition was limited to one senior girl each year.

Kris Mitchell was named the Outstanding Senior Athlete this year. Her sports career at Savanna included: three years of volleyball, lettering Varsity as a junior and senior, an Outstanding Player Award in '76, and voted to the All-League Volleyball Team of the Freeway League her senior year; track team as a sophomore, lettering Varsity; basketball as a sophomore and senior, lettering Varsity as a senior; softball during her sophomore and senior years, lettering Varsity as a senior.

In addition to her great skill, team spirit, and attitude, Kris found time to show her Rebel Pride as a JV Cheerleader during her junior year at Savanna.

Donna Miyasako received the award of Outstanding Junior Athlete of 1976 - 77. Donna's participation has included: two years of volleyball, lettering on JV her first year and Varsity as a junior, named an Outstanding Player of '76; field hockey her sophomore year, lettering Varsity and awarded an Outstanding Player; two years of basketball, lettering JV and being named an Outstanding Player as a sophomore, and lettering Varsity as a junior.

Among her achievements, Donna received the Girls' Athletic Leadership Award for 1975 - 76. Her good nature, loyalty, and competitive drive were greatly appreciated by teammates and coaches.

Although not exactly a sport, Donna Miyasako gave Savanna her time and effort in another special area. Without benefit of a grade, recognition, or school credit, she worked hard as a valuable staff member for the Savannan '77 yearbook. The advisor and staff took this opportunity to extend a giant "thank you" to Donna.

The Outstanding Sophomore Athlete of the Year was awarded to Charlene Love. During her first year at Savanna, Charlene: lettered in JV volleyball and received an Outstanding Player Award; lettered in Varsity field hockey and was named an Outstanding Player; lettered in JV basketball; and lettered in softball.

Charlene was not chosen only for her skill and abilities. In keeping with the other two Outstanding Girl Athletes, she consistantly exhibited the dedication, loyalty, and determination which often makes the difference between *good* and *OUTSTANDING*.

The Savannan '77 yearbook staff offers its congratulations and best wishes to these three girls for their fine achievements. The yearbook staff and advisor would also like to thank the Girls' Athletic and Physical Education Department for its help and cooperation towards the Savannan '77.

Sandra Jean,

I'm really glad I met you this year. You're really a cool person. I really apriciated you gettin' me high so much too. I know I'll see you this summer so I wont miss your ugly mug! Have fun this summer and Stay High! Love,

Shawn Dixon

Sandy,
It was fun having you in gym on my baseball team. Im also glad I met you, your a very sweet person so don't change. Have a good summer and I will see you next year.

Bye-Bye
Love,
Cathy Uebrecht

Sandy,
It was a
crack-up working with
you in the Office. Watch
the cuts. It was also
funny bugging Mrs.
Kinsley (Missy). Well
take it easy and don't
get into too much trouble
this summer. Heh! I was
the first to sign this
book. Ha! Ha!
Ha! Ha! I am
sure honored. I am.
Lots of Love
Friends
Melissa
Battleyon
Class of '77"

Dearest Sandy.
Thank you so
much for doing what
you did for me in 6th
Have a nice summer
Don't get in trouble
Love Jeri

Brandy (Buzz Bunny)

I didn't really know you that well last year. But I am really
glad that we got to be real good friends. It has been a
real fun years. I hope that next year is even better. Call me
up during the summer when your not doing anything and
we could go to a party or go shop lifting. Hopfully next
year I will have money to get stash so we could get
loaded every day. There isn't really much you could say
to someone you see all the time. Except I hope you
have a bitchen summer. Try to stay out of trouble,
I know you won't but you could try.
